March 23, 2020

Dear Blevins Training School Alumni:

The Board of Directors of the Blevins Training School Foundation met on March 20, 2020. During the meeting, a decision was made to reschedule the reunion currently scheduled for July 10 – 12, 2020 to July 9 – 11, 2021 due to the spread of Covid-19. The reunion committee has worked very hard planning this event and all plans including but not limited to the venue and caterers had been made. The Board's decision was made because of concern for the safety and well-being of the Alumni and due to governmental restrictions. Most attendees at the reunions have historically been over the age of sixty-five (65) years of age. Those over sixty-five (65) years of age are most vulnerable to Covid-19 and we want everyone to be as safe as possible.

You may have received information concerning ads for the souvenir journal for the 2020 reunion. The cost for ads for the 2021 souvenir journal will be the same as those quoted for 2020. A hard copy of the souvenir journal ad information will not be sent prior to the 2021 reunion; however, information for the ads will be on the Blevins Training School Foundation website at [www.blevinstrainingschoolfoundation.com](http://www.blevinstrainingschoolfoundation.com).

Even though the reunion has been rescheduled, scholarships to graduating high school seniors will be awarded this year. If you know a graduating senior who is interested in applying for the scholarship, please inform the student to go to the Blevins Training School Foundation website. Information concerning the scholarships and the scholarship application can be found on our website. In order for scholarship applications to be considered, the application must be postmarked on or before May 31, 2020.

We hope and trust that you are well and staying as safe as possible. We serve a God who is more powerful than any virus and we know that He will see us through this temporary situation. All of us are looking forward to a wonderful reunion in 2021. If you have any questions or concerns, please do not hesitate to contact either of us.

Respectfully,
